LAWS RELATING TO TRUST FUNDS

Chapter 51, Revised Laws of New Hampshire

19. In General. Town may take and hold in trust gifts, legacies and devises made to them for the establishment, maintenance and care of libraries, reading-rooms, schools and other educational facilities, parks, cemeteries and burial lots, the planting and care of shade and ornamental trees upon their highways and other public places, and for any other public purpose that is not foreign to their institution or incompatible with the objects of their organization.

We would suggest that persons desiring to leave a sum of money, the income of which is to be used for the care of cemetery lot, should deposit at least $200.00.

At the present rate of interest, wherever possible, those funds the principal of which is $100.00 or less, should be increased.

Respectfully submitted,

SAMUEL W. GERRISH,

LESLIE R. TASKER,

ERNEST L. PINKHAM,

Trustees of Trust Funds.

The elementary schools in Northwood are organized as follows:

School	Grades	Teacher	Pupils
Brookside	1, 2	Mrs. Hilda H. Gerrish	27
Brookside	3	Mrs. Annie C. Giles	20
Ridge	4	Mrs. Lillian L. Williams	15
Ridge	5, 6	Mrs. Charlotte McKay	30
Ridge	7, 8	Mrs. Shirla B. Smith	20
Music		Mr. Salvatore Viggiano	
School Nurse		Miss Myrtle Fletcher	
Total			112
High School:	9-12	Coe-Brown Northwood Academy	49
		Dover	5

Mrs. McKay is a graduate of Keene Teachers College, with experience in high school and upper grades. Mr. Viggiano is a graduate of the New England Conservatory of Music. His full time is given to districts in this supervisory union. He succeeded Mr. Bertram Colter, who died in the summer, after a term of service which had endeared him to all school personnel in the towns where he served. Mr. Edson Evans, janitor of Brookside School, died last November.

The report of the school nurse-teacher, Miss Myrtle Fletcher, shows 109 routine tests of vision, hearing, other health indications, including growth progress. Chicken pox and measles were prevalent. Special clinics included pre-school and toxoid, also

fluorine application for tooth preservation. Various other more or less common conditions were reported to parents and in some cases referred to physicians.

After careful consideration in the community, a unit of the state and national Congress of Parents and Teachers was organized October 9, 1952, at the Ridge School, with Mrs. David Small as president. The PTA has proved to be a very helpful group in many places throughout the country. The local association is interested in furnishing supplementary kindergarten and musical privileges for children, as well as in the ideals and practices of the regular school activities.

Studies of the educational needs of the state have resulted in the following legislative program, which all citizens should examine and support insofar as they can see their way clear to approve:

1. State Aid in the amount of $1,230,000 to carry out the formula adopted by the 1951 legislation. This formula would have given Northwood $2,266 this year, instead of $1,092 as alloted.

2. Scholarship aid to enable worthy students to enter Keene and Plymouth teachers colleges, to replenish the alarmingly insufficient number of teachers available.

3. A 6-year self-liquidating building program at the teachers colleges, including a men's dormitory and an auditorium-gymnasium at Plymouth, and at Keene a classroom-laboratory building, men's dormitory, addition to the Vocational Building, and remodeling Parker Hall for a library.

4. The sum of $2,000 for state department aid in revising the Program of Studies.

5. Re-organization of supervisory unions, re-

storing 4 to the number of unions previously decreased arranging the districts in more natural supervisory groups, and providing equalization funds so that district financial ability would no longer be the regulating factor in assigning districts to unions. This project also includes the restoration of personnel needed by the state department to carry on the duties laid upon it by the legislature.
